

Film and Digital Photography Lessons

What to expect?

I want to help you learn what you want to learn! Whether that be how to load film in your camera and shoot through a roll, getting off auto mode and learning how to shoot full manual, the ins and outs of editing film and digital images properly, how to properly compose photos, or photoshop tips and tricks; I believe I can help you learn and progress your photographic skills.

1 hour lesson \$50

2 hour lesson \$75

Lessons Include:

- 5-10 minuet phone call a day or two prior so I can get an idea of your current skill level and what you want to get out of the lesson. Can be done over text or email as well if that is pereferred.
- Lessons can be done with up to 3 people. Same rates apply, no extra charge!
- Lessons can be done virutally or in any location within 30 minuets of Downtown LA (Open to locations farther away depeding on date and time).
- Unlimited follow up questions for up to 1 week after the lesson via text or email.
- Tambien pueden ser hecho en español!
